215 Market Street,
San Francisco, Calif.

Dear Mr. Brodie:

Your letter of November 6th as well as a package containing an enlarged picture of the passengers who recently made the Pan-American Philippine Clipper flight from San Francisco to Hawaii, received during Mr. Carter's absence from the City.

Mr. Carter has gone to Chicago, New York and Washington and is expected home the latter part of this week, at which time your letter and package shall be brought to his attention. It was mighty nice of you to send the picture and Mr. Carter will appreciate the thought tremendously.

Yours very truly,

Secy. to Mr. Carter.
