Fort Worth Star-Telegram
Fort Worth Texas

Dear Amon:

I was going through some papers at home the night before last, and I came across the Fort Worth Star-Telegram of Wednesday, June 4, and read for the second time the editorial entitled "Let Him Who Is Spotless Cast the First Mud".

Now that the Convention is over and our General has been nominated, your statements of June 4 have been vindicated. Reece and Ingalls misbehaved all the way through. As evidenced by this, it was reported to me that Reece would not support Eisenhower unless General Eisenhower properly apologized to Taft for having slandered him. Doesn't that give you a terrific laugh?

With best wishes, my friend, and hoping to see you soon -

Cordially

Niles Trammell
