

Dec 30, 1942
North Africa.

Dear Katherine,

As usual it's raining cats and dogs and I am covered with mud. It's really a job trying to undress in a pup tent with muddy shoes and pants on.

We have been getting 12 hours of sleep a night since we arrived here and I am fully rested up after having such a swell time in England.

Here are the numbers of the Traveler's Checks I have in case I lose them or something happens to me.

J6, 828, 742	THROUGH	J6, 828, 749
J6, 828, 715	"	J6, 828, 729
J6, 828, 700	"	J6, 828, 714
C4, 497, 954	"	C4, 497, 962
J6, 828, 694	"	J6, 828, 698

There may be more but I can't find them now.

Will write again in a few
days.

Love,

Amos Jr.
