to Helen Wade Jackson, 12 Colonial Circle.

Dated, January 3, 1943.

Thank you so very much for the 2 lovely parcels
of Nov. 10 & 18 which I rec'd intact 2 days ago.
You have been so wonderful at looking after us
for such a long time now. We are pretty well
through our third & we hope last Winter as para-
sites. It has been especially mild and I only
used the magnificent skates you got me 5 times
& had one game of hockey on our home made rink.
However, the skates did overtime then & were
borrowed from dawn to dusk! We are all in very
good order & looking forward to the better times
to come. Yours sincerely,

Peter Brush
