

Card Received from Maj. Harold B. Houston #

I was very happy to receive your Xmas card. Many thanks for your efforts. Col. Clark yesterday received his first food parcel which you had sent. Believe me it was quite an event. He is the first U.S.A.A.F. prisoner of war to receive a food parcel here. He shared it with all of us Americans but when a parcel is divided into hundreds of parts it doesn't last long. Again many thanks.
