Dear Mr. Carter:

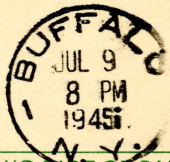

In looking over our books, we find on May 29, 1945 we mailed you check #679 for \$3.53, which is the amount due you and that check has not been returned to us from the bank.

We are trying to close our books as the work for our Prisoners has been finished and we would appreciate it very much if you will cash this check at once, so that we can complete our book work.

Thanking you for giving this your prompt attention, we remain

Sincerely,

AMERICAN PARCELS FOR PRISONERS OF WAR
