Dear Mr. Carter:

It was indeed a pleasure to meet you on your recent trip to Buenos Aires on Mr. Trippe's Publishers' Flight. I hope you will recall our short discussion about the possibility of organizing a group of Argentine cattle ranchers to attend the Forth Worth stock show. I am going to proceed on this matter within the next few weeks and we expect to put out a direct mail campaign to a large number of cattle breeders in an attempt to interest them in a visit to some of the cattle shows in the United States.

The enclosed envelope just arrived on my desk today and I am returning this to you through the courtesy of our District Sales Manager, Mr. David R. Taylor, of Houston, Texas.

Many thanks for the Honorary Vice President's pin. It would be wonderful if I could attend your show in person.

Cordially yours,

Juan Homs, Jr.
