Dear Mr. Carter:

I was a little late in getting around to it, but I have been terribly busy since returning from Fort Worth, but I want to thank you again for your wonderful hospitality at your great party honoring C. R. Smith last week at your Shady Oak Farm.

I, especially, want to thank you for one thing that I certainly did not expect and that was when I started to pay my bill at the hotel, they said it was paid. I certainly did not expect that after having had such a wonderful time at your party.

One of your reporters called me at the hotel the next morning after the party for an interview and I asked him to send me four or five copies of the Star Telegram regarding it. Also, if the picture that I had made on your horse turns out well, I would certainly like to have one. It is a beautiful horse and a beautiful saddle. That is one of my great loves - good horses. I have a few on my ranch here, but nothing like you have.

So, again thanking you for a wonderful time and assuring you that in my limited capacity as Chairman of the Texas Aeronautics Commission, I am going to do everything I possibly can for the advancement and progress of aviation in Texas.

Very truly yours,

AAB/w
