My dear Mr. Carter:

I told your secretary the other day
that I could attend the Shady Oak dinner for
Mr. C. R. Smith.

I find that I had accepted an invita-
tion to attend the Missouri Valley Wholesale
Grocers' Association in Kansas City on the 19th
and am leaving this afternoon for that meeting.

I do appreciate very much your invita-
tion and regret that I cannot be at that party.

With warm, personal regards and best
wishes, I am

Sincerely yours,

Galen H. McKinney
