Mr. R. L. Thornton
Mercantile National Bank,
Dallas, Texas.

Dear Bob:

As you know the American Airlines crowd will be in Fort Worth Wednesday, September 19. We are having a home coming welcome for C. R. Smith at Shady Oak Farm consisting of an old fashion steer meat barbecue, "roastin' ears", black-eyed peas, Texas "ingerns" and sweet potato pie. The party is strictly informal, so you can wear your shorts or anything you have available under GFA regulations. Why not run over and have a bite with us? We will not let the high altitude affect you in way.

Seriously, we would be tickled to have you with us and I am sure C. R. and his crowd will be equally as pleased. So drop me a line or have your secretary call 3-2301.

Sincerely,

AGC:KD
