Mr. Amon G. Carter
Star-Telegram Building
Fort Worth, Texas

Dear Mr. Carter:

Following our conversation in regard to Delta's request for help in connection with their application for a line from New Orleans to Havana and Porto Rico, I talked with Mr. Woolman who will consult with his attorney and advise us what we can do.

I told Mr. Woolman of your proposed invitation for the nineteenth. He said he greatly appreciated it, but unfortunately he would have to be at Miami, Florida at that time getting their new line started. If anything happened to change plans, he would be most happy to come to Fort Worth.

The following is a list of those that you may want to invite in line with your suggestion:

Delta Airlines Officials -

C. E. Faulk, President
Monroe, Louisiana

C. E. Woolman, Vice-President & General Manager

G. R. Cushing, Operations Manager
Atlanta, Georgia

E. Marion Johnson, Director Research & Planning

Finis Fox, Station Manager
