Mr. Amon G. Carter,
Fort Worth, Texas.

Dear Amon:

I understand that the American Airlines, Inc. are planning approximately \$80,000,000 of new financing to consist of Debentures and Convertible Preferred Stock and that Kidder, Peabody & Company will be the major underwriting firm.

It so happens that my brother, Major T. C. Sheaffer, who has just returned from the service, is a partner in the Philadelphia investment banking house of Wurts, Dulles & Company.

As I understand, Amon, you are a director of the American Airlines, Inc., and needless to say I will consider it a great personal favor if you will kindly ask that instructions be given to Kidder, Peabody & Company to include Wurts, Dulles & Company in its underwriting group.

Did not see you at the Kentucky Derby.
Were you there?

Looking forward to the pleasure of seeing you soon, and with my personal regards, I am,

Yours sincerely,

(Signed) Dan
