Total	<hr/> 16,800 Shares

issued in my name (Amon G. Carter).

This stock has been given to my son and
daughter - 8,400 shares to Amon G. Carter, Jr., and
8,400 shares to Ruth Carter Johnson - and I would
appreciate having you turn the stock over to the
proper authority to have it reissued in their names.

In the event any statement is necessary to the Securities Exchange Commission, I would like to have embodied therein that the stock has not been sold by me but given to my children. As the ownership of the stock stands now, I will have 50,000 shares individually in my name, the Amon G. Carter-Star Telegram Employees Fund will have 30,000 shares which has been given to them, and my son, Amon G. Carter, Jr., will own 12,500, my daughter, Ruth Carter Johnson, will own 12,500 or a total of 105,000 shares. In addition, the Amon G. Carter-Star Telegram Employees Fund owns \$500,000.00 of the First Mortgage 3% debentures and 1,500 shares of the 3 $\frac{1}{2}$ % preferred stock. Therefore, the reissuing of these certificates in reality makes no difference in the status of the stock other than it is reissued in other names.

Usually when a director makes a change of ownership of stock there is some mention of it in listing so I would like to have this statement made so it will be known there is no real sale being made - just a reissue of the certificates.

Thanking you for looking after this matter for me, I am

Yours very sincerely,
