Dear Mr. Carter:

Thank you for your note advising us of your inability to attend the Directors Meeting in Mexico. We will undoubtedly have an interesting weekend, and your attendance will be missed.

In the event that you will not have to leave for Culver prior to the dinner in Dallas on October 17, I will continue to keep you informed of our plans, and Doc Miller will undoubtedly be in touch with you prior to the actual date.

Sincerely,

Walter H. Johnson, Jr.
