Dear Red:

It looks like it is a difficult matter to familiarize your representatives of the fact that Fort Worth is still on the line.

After my experience with your reservation clerk, when I checked in at La Guardia for Flight 23 to Fort Worth they gave me a tag for my little bag that I place under the seat and the tag was "DALLAS". I asked the young man who checked the bags if he would give me a "FORT WORTH" tag and he said they had no tags for Fort Worth. So, if you will have some printed I will be glad to pay for them.

Seriously, I have no desire to keep needling you but it seems we have had innumerable things that do not make us happy.

Sincerely,

AGC:kd
