My dear Amon:

I am sorry I was not able to be present at the Board of Directors meeting and to have the opportunity to greet you personally, but I was down in your country attending the Air Traffic Conference. Incidentally, we entertained all of the airlines at Amon Carter Field and then had a reception at the Admirals Club and they were very much impressed.

Red Mosier told me today that you had expressed the desire to be a passenger on the first DC-7 non-stop in scheduled service from Los Angeles to New York, and I have accordingly made a reservation for you and will hold the same in your name until I hear further from you. That flight, as you know, will leave Los Angeles at 9:00 a.m. and arrive in New York at 7:15 p.m., and the date is Sunday, November 29th.

With all best wishes, I am

Sincerely yours,

R. E. S. Deichler
