Stay with them if it takes six months. Don't budge an inch below what you consider rock bottom fairness PERIOD This is important test case to find out who owns and operates a business PERIOD The public will cry their eyes out about the poor down trodden pilots who only receive about sixteen hundred dollars a month for ten days work including board and room PERIOD I realize it's tough but I would rather lose my investment than to sacrifice and self respect what little pride we have left. Stick to it.
