CENSOR'S STAMP

Dear Mr. Carter,

I appreciate very much your sending me the copies of Amos Jr.'s letters and of course am glad he is getting along all right.

I really wish old Amos could have been with us the last few days up around Metour as things were very different from what they were when he was captured. I have a luger I am saving for him that I hope I am able to get home. But most of all I hope we can end this mess before too long and all be home again.

Sincerely,

*L. G. D. Anderson Jr.*
