Miss Dorothy Ayres,  
University of Texas,  
Austin 12, Texas.

Dear Miss Ayres:

Your letter for Amon Junior has been received and was forwarded today. I am sure he will be delighted to hear from you and especially interested in the pictures of the University as he has requested us to send him pictures of Texas University and we had not been able to obtain them for him.

Our last letter was dated February 18 and he was still in good spirits and as well as could be expected.

Yours very truly,

Secy. to A. G. Carter.
