

Feb. 5, 1945

My Dear Mr. Carter,

I hate to bother you at a time like this, but I thought you might have some news of the boys in Oflag #64. Since the Russians have gone through Poland - do you know if they have been moved further on or liberated?

I realize that this is rather imposing on you but I would appreciate hearing from you, if I may.

Yours truly,  
Miss Joyce Alcorn
