Mr Amon G. Carter,
Fort Worth, Texas.

Dear Mr Carter:

Received your letter of May 26th
and was very glad to hear that Amon Jr. was living
and well.

Wish we could send our boys some
of the things they need. While I still think worse
things could have happened to them. It must be hard
for such young healthy active boys to be held in a
camp with nothing to do but worry.

We have not heard any more from Paul.
We write to him at Camp 204 Military Post 3450 in Italy
but do not know whether or not he gets our mail.

We are grateful for the interest you
have taken and are sending Amon Jr.'s letter. I would
have returned it sooner but we were away for a few
days and it was waiting for us when we returned home.

Thanking you again for the interest you
have shown I remain

Sincerely

Jim Brown
