My Dear Amon:

Have just this morn
ing (7.50am) read that
our beloved Amon is in
Prison in Germany. I
knew all along that he

He was alive, - but the
confirmation is such
a relief that it makes
us all - so very happy.

Now at least we
know his out of
the great danger of
battle, & thank God
for that.

With love for you
all - I am sincerely yours
Ore Swinton
