My Dear Katrina:

Upon my arrival
home yesterday - I found
your letter and Amos J's.
& I'm hastening to reply
and to thank you for

sending it to me.

you know - of course -
I'm deeply interested
& am - in that adorable
boy. I find encourage-
ment in his letter in
the fact that he thinks
he might get to England -
I only hope it doesn't
mean an exchange - as?
couldn't bear the thought
of his getting into the
war again -

Again thanking you -
& with personal regards

you - your Husband and
Mr. Carter - I am sincerely

yours
Matie Gurlon
