Dear Mr Carter: -

Your telegram received Saturday afternoon and how glad I was to have some definite news of the situation of our prisoners over there. I am very grateful to you as I am sure many others are.

You certainly have done a great service to so many who have loved ones imprisoned by the Germans.

No more letters have arrived from Col. Barron. If they do, I shall let you know.

Thanking you so much again I am

Always sincerely
Mrs Laines J. Barron
