Mrs. Gaines J. Barron,
3200 Ethel Avenue,
Waco, Texas.

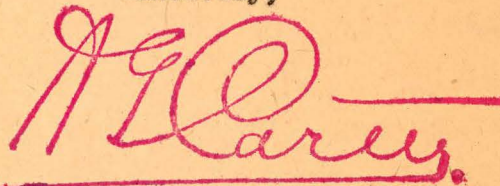

Dear Mrs. Barron:

Your letter of February 25th received and I am sorry that you have not heard from Colonel Barron since the letter dated December 8th. As stated to you at the time you were in Fort Worth, I received a letter from Amon Junior dated December 30th, also one dated January 1st and another January 6th, which arrived here February 9th.

I appreciate your giving me the information that Captain Torrence died on January 10th. I am anxiously awaiting another letter from Amon Junior dated after Captain Torrence's death occurred.

The mail is very irregular and at the time I received Amon's letter dated December 30th, I had not heard from him since a letter dated November 18th. If we get any additional information, I shall be glad to communicate with you at once. Meanwhile, the only thing to do is to be patient. I feel quite sure everything is all right.

Sincerely,
