Dear Mrs Deakin: —

I received the copy of telegram from Senator Connally, also Mr Carters letter this morning, which I am grateful for.

I am sure he just overlooked sending back the two letters and clipping I sent to him last week. The two letters were from Col. Barron. Will you please check on this and return the letters to me as soon as possible.

I have not heard any more since those letters, but if

I should, I will notify
you all.

Thank you again for
everything -

Sincerely

Eldora Barron
