Dear Mr. Carter:

I certainly have appreciated Mrs. Deakins' letters and the pictures of the boys in Oflag 64. I think all of the boys look well in the pictures. As long as they can stay well, I guess they will be all right. I'm glad to see they have warm overcoats too. It looks like they'll need them again this winter.

The last letter which I have received from Edward was written August 6, so I am glad to know you have received a later one. Edward wrote me that he had ordered a watch from Switzerland and they would send me the bill. The watch company wrote and I received it just the other day. They said they shipped the watch to him on July 22, so of course he didn't have it when he wrote Aug. 6. I hope he has received it by now, though.

I certainly do appreciate your sending the pictures. Did you want me to send them back? If they are copies and you don't need them, I would be glad to keep them so Edward can have them when he gets home.

Yours sincerely,

Mrs. Edward L. Batte
