Dear Miss Deakins:

Upon arriving home from the office last evening, I found your most welcome note and pictures.

You will never know how it pleased me to have a bit of news from my husband and see how well they look.

It was certainly thoughtful and a grand thing for you to do; I have looked at the pictures so much, I've nearly worn them out. Yes, my sweet husband was in three of them, you were right.

Thanks and do drop me a line again. Hoping to meet you in person ~~one~~ of these days, I remain

Very sincerely,

Mary Jane Seasley
