Mr Amos G. Carter

Dear Mr Carter:- Thanke

so much, for your letter
and also the one from our
son, That is the latest
we have had from him
we Recd. a card today
saying he had recd. his
second parcel, but that
was dated July 20, we
are proud he wrote
you and thanked you
for what you & your
son did for our boys
The item in the Star
Till grower Telling they
had arrived at their

Camp and were well, but tired, was worth more than woads Car express. I think from the letters we get from our son, They are O.K. only the so monotonous, he said in our letter if it wasnt for this Ball game and other diversions theyd all go Crazy.

I tell him in every letter, to be patient and keep his faith and when God spares them thru the awful Battles, he will see them safely through.

It looks good but we too must not get impatient and expect it to be over so soon. I also want to thank your Sec-
mrs. Deakin. I feel I almost know her as Mr. Bergman's sister, Mrs. Brownstad in Ft Worth has told me so much about what a wonderful person she is. and she had also told her of receiving this letter from Eben. He is still just a little boy to me, but I guess by

The time he gets home
he will be sort of grown
up. Mr. Bergman had
not been well the last
year and Eben knew
that when he was captured
and really was worried.
he is doing better now
so we hope he will
continue to improve.
We have been hearing
quite a lot from our
son, and at times we
have gotten as much as
2 cards and 2 letters in one
day.

Thanking you very much
and here hoping our Boys
are home again before
Too long. Sincerely
Mrs. Bergman.

We are proud je wrote you and thanked you for what you and your son did for our boys. I think from the letters we get from our son, they are O.K. only its so monotonous. He said in one letter if it wasnt for their ball games and other diversions they'd all go crazy.

I tell him in every letter to be patient and keep his faith and when God spared them thru the awful battles, he will see them safely through. It looks good but we too must not get impatient and expect it to be over so soon. I also want to thank your secretary, Mrs. Deakins. I feel I almost know her as Mr. Bergman's sister, Mrs. Bronstad, in Fort Worth has told me so much about what a wonderful person she is and she had also told her of receiving this letter from Eben. He is still just a little boy to us, but I guess by the time he gets home he will be sorta grown up.

Mr. Bergman has not been well the last year and Eben knew that when he was captured and really was worried. He is doing better now so we hope he will continue to improve. We have been hearing quite often from our son and at times we have gotten as much as 2 cards and 2 letters in one day.
