Dear Mr Carter:

I thank you very much for your information, we are so glad for any news we can get. about three or four weeks ago we got a letter from our son dated Dec 18 2 weeks ago we got a Card dated Dec 27 and yesterday we got one dated Dec 25 so the mail here gets here irregular but oh how glad we are to get it even if a little old, I am going to send you the last letter we got. I was so pleased they had as much Christmas spirit as they did, and the picture I am sure you have seen too but in case you haven't I'll enclose it, you may return them some time when convenient I am like you in thinking surely some of these days the Germans are going to have to give up some of their P.O.W, I got this picture from Mrs Emerson my son is not our pure, it was made 1 year ago in Jan. just before my son got pure, most sincerely
