Mr. and Mrs. Harold F. Brown
Star-Telegram Composing Room
Fort Worth, Texas

Dear Mr. and Mrs. Brown: Have just read in the Star Telegram Junior the distressing news of Harold Jr's untimely death and I hasten to send you my sincere sympathy and condolence. Although mere words can help little I do wish there was something I could say or do to help lessen your sorrow. It is a tough break and only strong courage and time will in a measure help soften the blow and give you a feeling of pride in knowing Harold did his full part as he wanted to do even though he sacrificed his life in doing so. My full sympathy to both of you.
Sincerely

Amon Carter
