

Mrs. Marion Monroe Brown

5/4/43

Dear Mrs Deakens,

I assume you were responsible for my receiving the news items pertaining to Mr. Carter's son. It was so thankful of you for I talk with Mrs. Taylor quite often and we are both so interested.

Had dinner recently with Brig.-Gen. Mac Gillin. He had been in command of Bronn's unit at the time of their battle. Was glad to learn of Bronn's safety.
