Amon G. Carter:

Dear Sir —

Words cannot

express our deep gratitude for your interest in letting us know about Dean! Yes, we knew, but any ^{thing} relative to his whereabouts is greatly appreciated. We had heard the camp had been moved to this place, but did not know how far from Berlin. I want you to know we'll not forget your kindness! We've had several cards from him, but they don't come in the proper order. We received one which was dated Dec. 20th. postmarked 29th. Then one came yesterday dated Nov. 22nd., postmarked Dec. 02nd. Again thanking you,

Sincerely, Mrs. Bess Bryant.
