March 5, 1945.

Amon J. Carter:

Dear Sir—

I wonder if you know just where "our boys" have been moved? Of course we've heard Oflag 64 had been moved to Luckenwalde, Germany, but that perhaps you had heard more specifically! Last word we had from our son Dean Bryant, was written on Dec. 25th. Just thought perhaps you might have heard from your son later! Thank you!

Mrs. Bass Bryant.
