Ralph Budd
President

Dear Mr. Carter:

While Wednesday's New York papers announce the release of your son following the Russian advance on the German prisoner-of-war camps, this morning's Tribune states it a little differently, saying that he is reported to be in a German military hospital and not yet within the Russian military influence.

At any rate I am sure that the rapid developments and disintegration of opposition throughout Germany presages an early return home of Amon, Jr. and I join with you in the comfort of that thought.

Sincerely,

A handwritten signature in cursive script that reads "Ralph Budd". There is a checkmark to the right of the signature.

Mr. Amon G. Carter,
