My dear Mr. Carter

Since your letter of March 27th I have experienced the pleasure of having my son (1st Lt. Wm. C. Burghardt) restored to me from Offley 64.

He knows your son was not among the 'escapers' and has asked me to tell you he hopes by now you have heard from Amos J. and from John Jones that they may be safe & well, homeward bound and back home before long.

Amos, John & Bill knew each other at 64 and Bill would be very interested in learning their whereabouts and status quo. Did Senator Herring's lad get away?

Trusting the news is all good, all here remain,

Sincerely,
W. C. Burghardt

P.S. - Did your paper by any chance
carry the "A.P." Whit Martin's story
about Bill on or about Apr. 20. 45?
If so, I'd like to obtain a copy.
