Alumni Secretary
Culver Military Academy
Culver, Indiana

Dear Sir:

The December 1944 issue of the Culver Alumni magazine has just been received and it is noted that you still carry the address of Lt. Anon G. Carter, Jr '38 as a prisoner of war in Oflag IX AZ, Germany, although the writer advised more than a year ago that he had been moved from that camp to Oflag 64, Germany, which is situated in the Polish corridor at Schubin about 100 miles south of Danzig. Incidentally Lt. Robt White '37 is also located at the same camp and you do not carry his address in the list.

Thanking you for correcting this on your list,

I am

Yours very truly,

Secretary to A. G. Carter.
