200 FIRST NATIONAL BANK BUILDING
DALLAS, TEXAS

March 10 - 43.

Dear Mr. Carter.

Franklin just wired
me about your son and I know
how you feel because we got the
same news about one of ours but
fortunately he was later found to
be a Prisoner in the Philippines
and I sincerely hope your Boy is
not really gone from you.

Please accept my sincere
sympathy but don't give up
hoping!

Yours

E. H. Hulsey
