Mr. Lemon G Carter  
Fort Worth Texas,

Dear Mr. Carter,

Saturday evening as I was eating my dinner the enclosed broadcast came over my radio. You can imagine my excitement when I heard the name of my husband mentioned.

Perhaps you have already had this news but if not I am sure it will interest you because we know it was men and officers of the 91st F. A. Bn. <sup>in</sup> which we are very much interested.

The last letter I had from Major Stipp was written Feb. 18<sup>th</sup> and he said it was going to get hot over there in more ways than one.

Do you know that Lt. Col. Summersall is back in the States? That is all

that I do know. He brought back  
and mailed a letter to one of the  
women here in Indianapolis from  
her husband. So far I have had no  
word from him.

Hoping you will find the enclosed  
copy of the broadcast interesting  
I remain,

Sincerely

Mrs George W Stepp
