Mr. Amon G. Carter  
Star-Telegram  
Fort Worth, Texas

Dear Amon:

I was shocked and grieved to learn that Amon, Jr. is reported "missing in action" and I wish to extend to you my profound personal sympathy in your great sorrow. He is a fine upstanding young man, beloved by all who knew him and you have just reason to be proud of him.

It is a crime to think that he and other young man like him should be sacrificed to gratify the ambition for power of ruthless, selfish, brutal and unscrupulous leaders.

There is little that your friends can say or do in a situation of this kind except to sympathize with you in your sorrow. However, there is a possibility that he may again be restored to you. Let us indulge the hope that it will prove a probability. If not, you can console yourself with the thought that he gave his all in defense of his country.

Very respectfully,

*W. M. Massie*
