Mr. Amon G. Carter,
Ft. Worth, Texas

Dear Mr. Carter:

Your wire just received regarding your Son, and as suggested in my previous letter to you, I shall be very glad to continue to cooperate in trying to run down any information relative to our boys.

My wire to you Monday stated that we had just received wire from the War Dept. that Roy is being held prisoner by the Italians.

Actually, this came through the Red Cross, and we are due a letter on any Mail covering the matter more thoroughly.

You may rest assured that any information that will help us along will be immediately sent you.

I regret so very much to learn of your Son as being missing, but let us continue to hope for the best.

Thanks for your wire, and with sincere good wishes, I remain

Most sincerely yours,

O. K. Jacob
