My Dear Mr. Carter:- I just heard that  
your son, Amos Jr was missing in action.  
By the Great Deliverer I hope this isn't  
true and if he is that the Divine Power  
sees that he is safe somewhere.

You know that I have always  
admired you and your son more than  
you will ever know. It is certainly great  
to have the satisfaction that you must  
have in knowing that your son was a  
great American boy.

I, too, am having a heavy  
heart when some of the fine boys I have  
had the privilege of coaching are making  
the supreme sacrifice.

I just want you to know

That your grief is being shared by  
your friends.

Lets pray for the best  
and maybe everything will come out  
for the best.

A devoted admirer,
