

ARMY AIR FORCES  
HEADQUARTERS, AIR TRANSPORT COMMAND  
WASHINGTON

March 12, 1943

Dear Amon

This is a tough day, have just heard that Amon is reported missing.

There's nothing that I can say which will make this a better day, and I am not going to try.

There's a fair chance this bright young Texan will turn up yet - God knows I hope he will.

You don't deserve losing the boy - and I hope you don't

C.R.
