Dear Amon.

We heard on Radio last night where Amon Jr was missing, & we have thought of you every minute knowing what you are going through. You must trust that he is alive and God will protect him.

There is nothing I can say to help you only that I am always with you in your distress & sorrow. I had only one boy & I know what yours

Meant to you -  
Here is a little Verse I  
want you to read, it has  
always helped me so much.

Hear restless heart be still  
for peace is Gods own smile  
His love can every wrong  
and sorrow reconcile;  
Just Love, and love, and  
calmly wait awhile.

hear restless heart be still:  
dont fret and worry so;  
God hath a thousand  
ways, His love and help, to show.  
Just trust, and trust, until  
His will you know.

When you read this I hope  
you will find a little comfort  
& relief from your strain.

Remember we love you  
& want to see you happy.  
You are so good & sweet to  
every one, & I know God will

the good to you.

I hope you hear good  
news soon.

Yours Emma,
