

HUBERT M. HARRISON

LONGVIEW, TEXAS

March 12, 1943

My dear Mr Carter

As one soldier's father
to another, I extend my
sincere sympathy to you
at this time of your anxiety
over the distressing news
of your son. My boy is
a captain in an overseas
outfit - I don't know where
our sacrifices may be
tempered by pride in their courage

Sincerely

Hubert M. Harrison
