Mr. Amon G. Carter,

Dear Amon:

I read the account in last night's paper,
reporting Amon, Jr. as missing in action.
I just wanted you to know that my thoughts
are with you in this trying ordeal, and we
all must hold the thought that he is being
held prisoner by the Damn Germans and will
be returned to you after the war.

Believing me to be

Sincerely yours,

J. F. Dressing, Jr.
