

My Dear - I just heard
the tragic news - My
heart aches so terribly
for you - Please know that
I hold your hand and
pray to God to help
you bear it. If I can

Dear Mrs. - well just
got - some great news
I think as much as
I'd want you - you of
course had your hand
to look at - you
can't see it -

do anything for you
let me know -

With my love
Vivian
