Dear Amon:

I read about Amon, Jr. in last night's paper, and upon inquiry, was advised that you preferred not to talk to people over the telephone, and I can appreciate your feelings.

Nevertheless, I do want to write and tell you that you have my sympathy under these distressing circumstances, and my hope is that Amon, Jr. will turn up safe and sound. I cannot help believing that he will, because he is a resourceful boy, and I have always been very proud of him and his record.

With best regards always, I remain,

Sincerely yours,

T-fw
