Mr. Amon G. Carter,
Star-Telegram Building,
Fort Worth, Texas.

Dear Mr. Carter:

I have learned with deepest regret that Amon, Jr., has been reported missing, and I join with all your friends in the earnest prayer that he may soon rejoin his unit. Fate could not be so cruel as to deprive you of this fine young son but I know your anxiety is intense and that the uncertainty of the situation is a great strain upon you. My faith in destiny impels me to believe that he is unharmed and that he will be restored to you.

None of us can give you any material aid but we can and will offer our prayers for his safety and for the speedy termination of your distress.

Sincerely,

James T. Cook
