Dear Mr. Carter:

This is just a note to tell you how deeply we regret the tidings that yesterday's telegram from Washington brought you of Amon, Jr.

The phrase 'missing in action' carries a tone of great hopefulness, and we feel sure that in due time, the Lord of battles and the Master of the universe will bring your boy back home again. Hence our daily prayer will be that this joy will soon be yours.

Sincerely yours,

*Sister M. Friedman*
